Comments Sheet

 **DERBYSHIRE**
County Council
Improving life for local people

Work Station Equipment

- A desk;
- A chair;
- Access to and use of a telephone;
- Adequate space, heating and lighting;
- Access to a desktop computer or the facility to use your laptop computer;

Booking arrangements

- Booking will be via the main reception within the centre or on a drop in arrangement which will be on a first come first served basis. Arrangements for booking should be confirmed via the Touch Down Centre location mapping system on d net;
- Once you are in the building you must make yourself known to reception, sign the visitors book and inform them that you will be using the Touch Down facilities;
- At the Touch Down Centres a register will be available and users must sign in and out on each visit. Signing the log will be a declaration that you have read the contents of this document and comply with the Authority's working practices policy and the rules and regulations of the site.

Code of Conduct

- Work in a professional manner and use the facility for normal office use;
- Adhere to the rules and regulations of the building;
- Comply with the Authority's Health and Safety, Data Protection, computer and other associated workplace policies;
- Show consideration for other users by ensuring that the work station is left clean and tidy;
- Do not leave any personal belongings at the work station even if you are re-visiting the centre later or the next day;
- Ensure that all records are secure and that data is safe and confidentiality is maintained at all times, some work areas are public open spaces;
- Wear your identification badge at all times.

Health & Safety

Fire Evacuation

- It will be the responsibility of the users to adjust the set up of the station to meet their individual H & S requirements,
- It is the user's responsibility to ensure that they are fully aware of the evacuation procedure the location of the fire exits and protocols within the building on arrival,
- In the event of a fire you should make your way to the assembly point and report to the appointed person.

I.C.T

- Each desk has a desk top computer or the facility to use your laptop with either cable or wireless connection. You should log in using your normal login name and password;
- In some circumstances you may only be able to access Outlook/Web Mail, unless you are using your own computer with a VPN connection. There will be no access to your personal files unless you have made prior arrangements via I.T to obtain remote access;
- Connecting and using a local printer; You should make enquiries of the administration within the building in respect of the availability to print, in some locations this may not be available;
- Should you require use or access to a fax machine or photocopier please make contact with the administration office on site. Any photocopying should be kept to a minimum unless you have provided paper from your own departmental stationary or made prior arrangement with the centre administration team. Please consider demand for use especially in a busy office environment.

Facilities

Refreshments, Kitchen and W.C
