

First Contact Derbyshire Signposting Scheme

Helping people stay safe and independent

First Contact can put you in touch with services to support your health and wellbeing.

Completing a First Contact checklist is quick and easy. You can get help with:

- Staying safe and secure at home
- Housing options, repairs and keeping your home warm
- Income, employment and training
- Healthy lifestyle and wellbeing
- Social and recreational activities
- Preventing falls and community alarms
- And much more.....

First Contact works with over 30 partners including the Fire Service, local councils, health services and voluntary sector organisations.
